

# Robert D. Lloyd

San Antonio, TX Phone: (210)-744-0224 Email: [Lloyd.Dustin@gmail.com](mailto:Lloyd.Dustin@gmail.com)

## Objective

*Passionate self-learner seeking employment in I.T. to further expand my knowledge and bridge the gap between front and back-end development.*

## Technical Experience

- Installation, configuration, and monitoring of full LAMP and LEMP stack systems through virtualization as well as traditional methods.
- Working knowledge of numerous protocols including DNS, SMTP, POP3, IMAP.
- Web Development experience with PHP, Javascript, HTML5, CSS, MySql, Apache, and Nginx using various blogging platforms (Wordpress, Ghost) as well as vanilla configurations.
- Experience with Cloud Monitoring Agent as well as Rackspace partners NewRelic, APM and Mailgun.
- Proficient in RedHat, CentOS, and Ubuntu Operating Systems.
- Linux+, Network+, and Cloud U certified.

## Work Experience

- **Video/Photo Editor & Photographer at Lisa Marie Roberts Photography (January 2013 -- January 2014)** Shot weddings and quinceaneras, ran the photo-booth, did photo and video editing as well as build presentations and albums for clients.
- **Instructor & Design Editor at Flash Me Photography (May 2013 – Present)** Photo editing and Photoshop lessons taught at photography and Photoshop workshops with 20-30 attendants.
- **Freelance Graphics/Editing/Design (January 2009 – Present)** Provided 2D and 3D graphic work (brochures, pamphlets, logos, banners, etc.), photo and video editing, web design and management for various clients.

## Hobbies

- Learning new software, making scenes and 3D models and applying them to game engines, preparing them to be printed, and making still or video composites. Image Gallery - <http://imgur.com/a/lCwAo>
- Playing the mandolin, competitive gaming with friends, and trying a new IPA or Belgian Ale.
- Finding ways to implement code in everyday life.
